TURNING technologies

Participants and instructors MUST use their university email address.

Email

+ Create Account → Sign In →

A yellow arrow points from the 'Create Account' button to the 'Sign In' button.

TURNING technologies

Participants and instructors MUST use their university email address.

The email address that was sent to you

Password

Forgot your password?

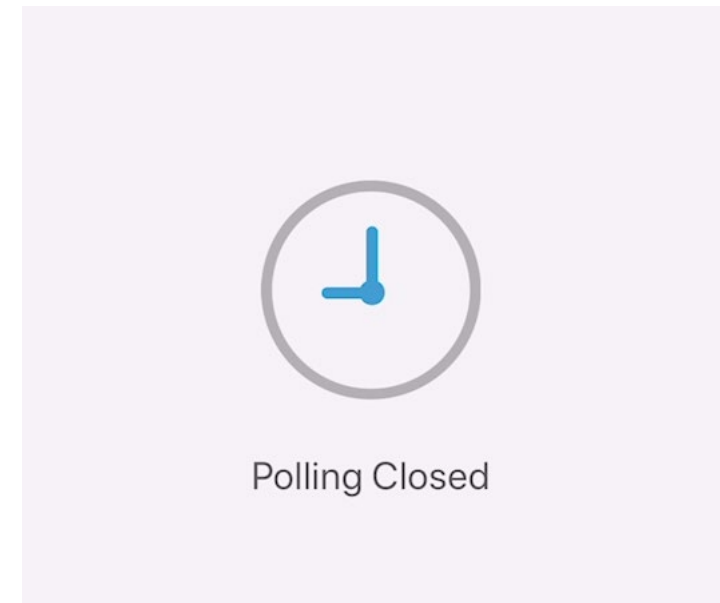

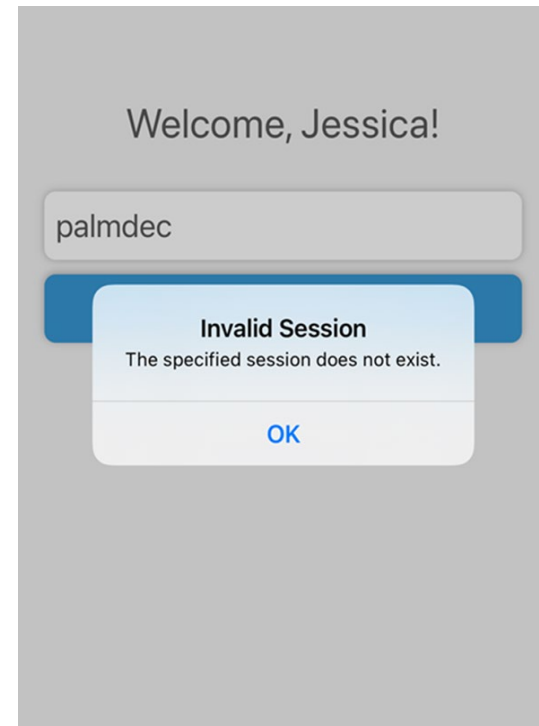

← Go → Sign In →

A yellow arrow points from the 'Go' button to the 'Sign In' button.

How to vote:

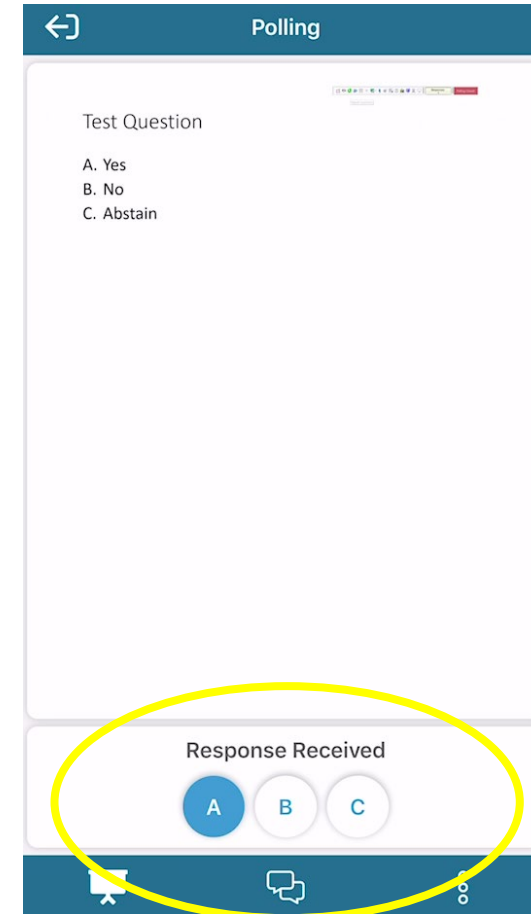

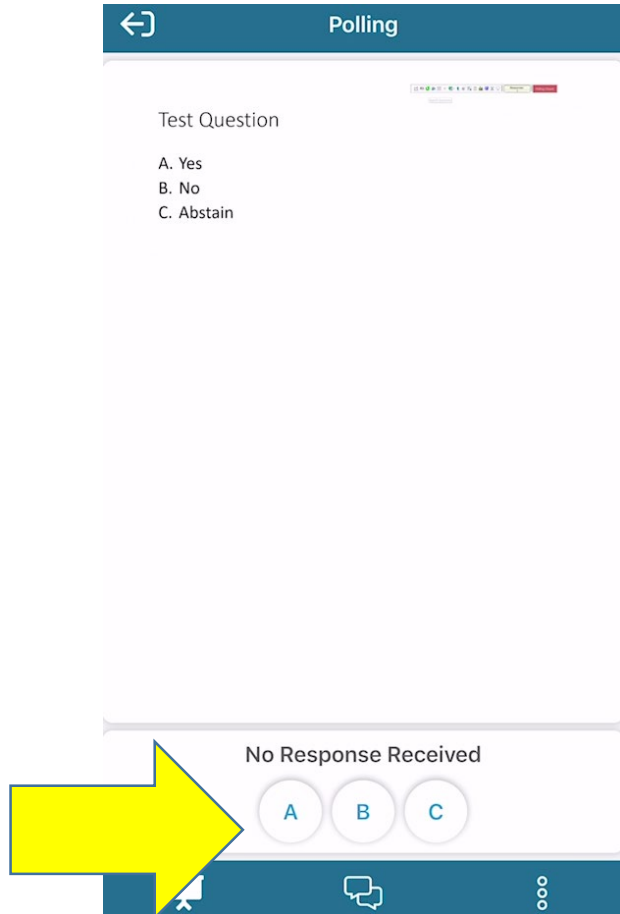

5 If you see the message “Invalid Session. Session does not exist” It means we have not yet opened the session for you to join.

6 If you are joining after we have opened the session, you will see Polling Closed until we push out the vote for you.

Multiple Choice Questions

Press the letter, see response received

Make a mistake? Simply press the correct letter to change your answer before the poll closes
